

# MIDDIE BOYS BASKETBALL REGISTRATION & TRYOUTS BOYS 3<sup>rd</sup> - 6<sup>th</sup> GRADES

**ARE YOU INTERESTED IN PLAYING BASKETBALL?!?!**

**ATTEND TRYOUTS TO PARTICIPATE THIS WINTER!!!**

The Middie Travelers Basketball Program has once again partnered with the **Cincinnati Area Youth Basketball League (CAYBL)** for this winter season. Our intention this year is to have two teams formed at each grade level. This program will be a selected process based on the player's basketball ability, their dedication to the sport, and attitude/willingness to work hard and learn. **Tryouts dates differ by grade level. Please pay close attention to the information listed below.** Practices will start at the end of October and games will start the first week of December and conclude in February.

**YOU MUST BE AT A TRYOUT TO BE ON A TEAM!**

**Registration** – Registration will take place at the tryouts. The parent/guardian of the player trying out **MUST BE** present on the tryout date. **Please have your child's birth certificate at registration.** Uniform fitting will also take place at tryouts. Forms will be filled out and more additional information will be given on tryout night.

**Payment** - \$125.00. **Fees must be paid in full before the first practice or the player may not practice.** The \$125.00 payment covers the cost of league fees, referees, uniforms, and 2-3 practices per week, along with a team banquet at the conclusion of the season.

**\*\*Other Options:**

We encourage all young men to attend the tryout to participate in the Middletown Boys Basketball program. For those players who do not get selected to a CABYL team, there will be an alternate option this winter to still participate on a team. This information will be communicated to those young men who do not get selected to a traveling squad following tryouts.
